florence arthaud kersauson histoire d amour: Dream of a Lifetime Mike Horn, 2020-02-01 'Before long I was nothing but a block of petrified flesh in an upright position. The wind was blowing into my mask and my cheeks started to freeze. My nose and lips were cracked with scabs. My hands

and arms, which were constantly raised to the sky to control my sail, no longer received any blood. My circulation had stopped functioning properly. As I made my way over the ice, a layer of fine powdery snow rose into the air, only to settle in my boots in an icy drizzle.' Explorer Mike Horn has had one dream since childhood: to cross Antarctica. Growing up in South Africa during the 1960s and 70s, he relocated to Switzerland almost 30 years ago. Today, he is a world-renowned adventurer, tour guide and coach, having made a name for himself as one of the world's leading explorers, traveling to some of the most isolated destinations on the planet. In December 2016, Mike finally made his childhood dream come true. He crossed the South Pole unassisted, journeying across this immense, white desert by kite-ski and sled alone. He was determined to follow an unexplored path, the longest and most challenging route imaginable: 5 100 kilometres straight ahead. In order to make it to the other side, he not only had to scale Dome Charlie – one of the highest summits on the Antarctic Ice Sheet – but also had to break all existing speed records to stave off being consumed by a terrible Antarctic winter. It would turn out to be a hellish race against death. His story is one of many shocking setbacks – but also of overcoming adversity through sheer willpower. A daredevil's first-hand account of realising a crazy dream, this book shows what is possible when one is fuelled by the love and support of family and friends.

florence arthaud kersauson histoire d amour: Love Me Tender Constance Debre, 2022-09-27 A novel of lesbian identity and motherhood, and the societal pressures that place them in opposition. The daughter of an illustrious French family whose members include a former Prime Minister, a model, and a journalist, Constance Debré abandoned her marriage and legal career in 2015 to write full-time and begin a relationship with a woman. Her transformation from affluent career woman to broke single lesbian was chronicled in her 2018 novel *Play boy*, praised by Virginie Despentes for its writing that is at once “flippant and consumed by anxiety.” In *Love Me Tender*, Debré goes on to further describe the consequences of that life-changing decision. Her husband, Laurent, seeks to permanently separate her from their eight-year old child. Vilified in divorce court by her ex, she loses custody of her son and is allowed to see him only once every two weeks for a supervised hour. Deprived of her child, Debré gives up her two-bedroom apartment and bounces between borrowed apartments, hotel rooms, and a studio the size of a cell. She involves herself in brief affairs with numerous women who vary in age, body type, language, and lifestyle. But the closer she gets to them, the more distant she feels. Apart from cigarettes and sex, her life is completely ascetic: a regime of intense reading and writing, interrupted only by sleep and athletic swimming. She shuns any place where she might observe children, avoiding playgrounds and parks “as if they were cluster bombs ready to explode, riddling her body with pieces of shrapnel.” Writing graphically about sex, rupture, longing, and despair in the first person, Debré’s work is often compared with the punk-era writings of Guillaume Dustan and Herve Guibert, whose work she has championed. As she says of Guibert: “I love him because he says I and he’s a pornographer. That seems to be essential when you write. Otherwise you don’t say anything.” But in *Love Me Tender*, Debré speaks courageously of love in its many forms, reframing what it means to be a mother beyond conventional expectations.

When an army intent on massacre reaches his village, the once gentle young man is forced to become a killer. After the fighting ends, Niko retreats to a cave that he shares with a family of gorillas to try to escape the burden of his guilt. In his solitude, he is plagued with painful memories that will not leave him. As Isaro writes Niko's story, she succumbs to the sadness of death, violence, and the dreadful reminders of her terrible past. florence arthaud kersauson histoire d amour: Hate: A Romance Tristan Garcia, 2010-10-26 In a controversial first novel that took the French literary world by storm and won the Prix de Flore, Tristan Garcia uses sex, friendships, and love affairs to show what happens to people when political ideals—Marxism, gay rights, sexual liberation, nationalism—come to an end. As Elizabeth Levallois, a cultural journalist, looks back on this decade and on the ravages of the AIDS epidemic in Paris, a drama unfolds—one in which love turns to hate and fidelity turns to betrayal, in both affairs of the heart and politics. With great verve and ingenuity, Garcia lays claim to an era that promised freedom as never before, and he paints an indelible, sharp, but sympathetic portrait of intellectuals lost in the age of MTV.
