les carnets de l apothicaire tome 14: Press Reset Jason Schreier, 2021-05-11 From the bestselling author of Blood, Sweat, and Pixels comes the next definitive, behind-the-scenes account of the video game industry: how some of the past decade's most renowned studios fell apart—and the stories, both triumphant and tragic, of what happened next. Jason Schreier's groundbreaking reporting has earned him a place among the preeminent investigative journalists covering the world of video games. In his eagerly anticipated, deeply researched new book, Schreier trains his investigative eye on the volatility of the video game industry and the resilience of the people who

work in it. The business of videogames is both a prestige industry and an opaque one. Based on dozens of first-hand interviews that cover the development of landmark games—Bioshock Infinite, Epic Mickey, Dead Space, and more—on to the shocking closures of the studios that made them, Press Reset tells the stories of how real people are affected by game studio shutdowns, and how they recover, move on, or escape the industry entirely. Schreier's insider interviews cover hostile takeovers, abusive bosses, corporate drama, bounced checks, and that one time the Boston Red Sox's Curt Schilling decided he was going to lead a game studio that would take out World of Warcraft. Along the way, he asks pressing questions about why, when the video game industry is more successful than ever, it's become so hard to make a stable living making video games—and whether the business of making games can change before it's too late.

les carnets de l apothicaire tome 14: YuYu Hakusho, Vol. 4 Yoshihiro Togashi, 2004-05-19 A delinquent's gotta do what he's gotta do...in the afterlife. Yusuke Urameshi was a tough teen delinquent until one selfless act changed his life...by ending it. When he died saving a little kid from a speeding car, the afterlife didn't know what to do with him, so it gave him a second chance at life. Now, Yusuke is a ghost with a mission, performing good deeds at the behest of Botan, the ferrywoman of the River Styx, and Koenma, the pacifier-sucking judge of the dead. The legendary exorcist Genkai is about to pass on her explosive demon-smiting techniques to one student--and only one. Trouble is, one of the people battling for the honor is a demon in disguise: the sadistic Rando, who'd just love to turn Genkai's power against innocent humans... unless Yusuke can defeat him! Then, Yusuke and Kuwabara must stop a quartet of demonic criminals from plotting a supremely sinister attack on the mortal world. At the gates of a labyrinthine fortress swarming with monsters, demons, and supernatural fugitives, these two teenage punks don't stand a chance in Hell--unless they can call for backup...
