2022-08-18T00:00:00+02:00 Depuis tout ce temps je me disais que nous étions nés de la guerre, mais je me trompais, Maman. Nous sommes nés de la beauté. Un fils écrit à sa mère une lettre qu'elle ne lira jamais. Née d'un soldat américain et d'une paysanne vietnamienne, elle est analphabète, parle à peine anglais et travaille dans un salon de manucure aux États-Unis. Elle est le produit d'une guerre oubliée. Refusant le silence, son fils retrace leur histoire familiale avec une urgence et une grâce stupéfiantes : sa grand-mère traumatisée par les bombes, les poings durs de sa mère contre son corps d'enfant, son premier amour marqué d'un sceau funeste. Mais aussi la tendresse et les rires, la découverte du désir, de son homosexualité et, plus que tout, du pouvoir rédempteur des mots.

un bref instant de splendeur: *On Earth We're Briefly Gorgeous* Ocean Vuong, 2021-06-01 The instant New York Times Bestseller • Nominated for the 2019 National Book Award for Fiction "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, The Washington Post Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. His poems are by turns graceful and wonderstruck. His lines are both long and short, his prose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion." —The New Yorker *Night Sky with Exit Wounds* establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence.—Buzzfeed's Most Exciting New Books of 2016 This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world." —2016 Whiting Award citation *Night Sky with Exit Wounds* is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power.—LitHub Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity.—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the

Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, 'Your father is only your father/ until one of you forgets. Like how the spine/ won't remember its wings/ no matter how many times our knees/ kiss the pavement.'"—Publishers Weekly What a treasure [Ocean Vuong] is to us. What a perfume he's crushed and rendered of his heart and soul. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length collection, *Night Sky with Exit Wounds*. un bref instant de splendeur: Vietnamerica GB Tran, 2013-05-01 A superb new graphic memoir in which an inspired artist/storyteller reveals the road that brought his family to where they are today: *Vietnamerica* GB Tran is a young Vietnamese American artist who grew up distant from (and largely indifferent to) his family's history. Born and raised in South Carolina as a son of immigrants, he knew that his parents had fled Vietnam during the fall of Saigon. But even as they struggled to adapt to life in America, they preferred to forget the past—and to focus on their children's future. It was only in his late twenties that GB began to learn their extraordinary story. When his last surviving grandparents die within months of each other, GB visits Vietnam for the first time and begins to learn the tragic history of his family, and of the homeland they left behind. In this family saga played out in the shadow of history, GB uncovers the root of his father's remoteness and why his mother had remained in an often fractious marriage; why his grandfather had abandoned his own family to fight for the Viet Cong; why his grandmother had had an affair with a French soldier. GB learns that his parents had taken harrowing flight from Saigon during the final hours of the war not because they thought America was better but because they were afraid of what would happen if they stayed. They entered America—a foreign land they couldn't even imagine—where family connections dissolved and shared history was lost within a span of a single generation. In telling his family's story, GB finds his own place in this saga of hardship and heroism. *Vietnamerica* is a visually stunning portrait of survival, escape, and reinvention—and of the gift of the American immigrants' dream, passed on to their children. *Vietnamerica* is an unforgettable story of family revelation and

reconnection—and a new graphic-memoir classic.

un bref instant de splendeur: Time Is a Mother Ocean Vuong, 2022-04-05 The New York Times bestselling collection of poems from the award-winning writer Ocean Vuong Take your time with these poems, and return to them often.” —The Washington Post How else do we return to ourselves but to fold The page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother’s death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We’re Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. At once vivid, brave, and propulsive, Vuong’s poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

un bref instant de splendeur: Inside Story Martin Amis, 2020-10-27 An autobiographical novel that’s a tender, witty exploration of the hardest questions: how to live, how to grieve, and how to die—from “the Mick Jagger of literature ... Amis is the most dazzling prose stylist in post-war British fiction” (The Daily Telegraph). “[A] charismatic compound of fact and fiction ... Martin Amis has retained the power to surprise.” —Parul Sehgal, The New York Times This novel had its birth in the death of Martin Amis’s closest friend, the incomparable Christopher Hitchens, and it is within that profound and sprawling friendship that *Inside Story* unfurls. From their early days as young magazine staffers in London, reviewing romantic entanglements and the latest literary gossip (not to mention ideas, books, and where to lunch), Hitch was Amis’s wingman and adviser, especially in the matter of the alluringly amoral Phoebe Phelps—an obsession Amis must somehow put behind him if he is ever to find love, marriage, a plausible run at happiness. Other figures competing as Amis’s main influencers are his literary fathers—Kingsley, of course; his hero Saul Bellow; the weirdly self-finishing poet Philip Larkin—and his significant literary mothers, including Iris Murdoch and Elizabeth Jane Howard. Moving among these greats to set his own path, he winds up surveying the horrors of the twentieth century, and the still-unfolding impact of the 9/11 attacks on the twenty-first—and considers what all of this has taught him about how to live and how to be a writer. The result is a love letter to life—and to the people in his life—that achieves a new level of confidentiality with his readers, giving us the previously unseen portrait of his extraordinary world.

un bref instant de splendeur: *Young Turk: A Novel* Moris Farhi, 2011-04-18 From a writer whose international acclaim can now spread to US shores comes a wise, craftily spun, and spine-tinglingly erotic tale of love, courage, and the forging of conscience—a novel of startling integrity and beauty' (*Independent on Sunday*). In the beginning there is death, says one narrator in this enthralling 'treasure of a novel' (Alan Silletoe), but after that there is life: robust, riotous, nave, sensual, tragic, and profound. Through a series of 13 linked stories connected by a circle of young friends, Moris Farhi writes of the trials and joys of children coming of age in an increasingly dangerous and politicized world: Turkey just before, during, and after World War II. The death at the beginning is that of a girl endowed with second sight, who sees the war and the Holocaust coming and can't bear the gift of life. For Musa, a boy allowed into the women's bath like a fly in a bowl of naked fruit, the change comes when one woman notices his manhood. Bilal, a Jew, sets off for occupied Greece to rescue his relatives and never comes back. exploration of the allusive, sculptural fiber work of an important contemporary South African artist. The book presents an early career survey of the work of Cape Town-based artist Igshaan Adams (b. 1982), showcasing his multimedia practice since 2009. Hendrik Folkerts surveys the artist's recent work, addressing its engagement with presence, absence, and the trace.. Adams himself offers a visual essay enabling readers to see details they would be imperceptible in a gallery setting. In shorter essays and poetic texts, the other authors focus on the South African historical and political context, specific artworks, and particular creative strategies, materialities, and narratives.

A portrait of Vietnamese identity emerges that is wholly remarkable, honed in wartime violence that borders on genocide, and then by the ingenuity, sheer grit and intelligence of Vietnamese-Americans, Vietnamese-Canadians and other Vietnamese former refugees who go on to build some of the most powerful small business empires in the world. Em is a poetic story steeped in history, about those most impacted by the violence and their later accomplishments. In many ways, Em is perhaps Kim Thúy's most personal book, the one in which she trusts her readers enough to share with them not only the pervasive love she feels but also the rage and the horror at what she and so many other children of the Vietnam War had to live through. Written in Kim Thúy's trademark style, near to prose poetry, Em reveals her fascination with connection. Through the linked destinies of characters connected by birth and destiny, the novel zigzags between the rubber plantations of Indochina; daily life in Saigon during the war as people find ways to survive and help each other; Operation Babylift, which evacuated thousands of biracial orphans from Saigon in April 1975 at the end of the Vietnam War; and today's global nail polish and nail salon industry, largely driven by former Vietnamese refugees--and everything in between. Here are human lives shaped both by unspeakable trauma and also the beautiful sacrifices of those who made sure at least some of these children survived.

un bref instant de splendeur: Madame Bovary Gustave Flaubert, 1982-06-01 This exquisite novel tells the story of one of the most compelling heroines in modern literature--Emma Bovary. Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone; it holds itself with such a supreme unapproachable assurance as both excites and defies judgement. - Henry James Unhappily married to a devoted, clumsy provincial doctor, Emma revolts against the ordinariness of her life by pursuing voluptuous dreams of ecstasy and love. But her sensuous and sentimental desires lead her only to suffering corruption and downfall. A brilliant psychological portrait, Madame Bovary searingly depicts the human mind in search of transcendence. Who is Madame Bovary? Flaubert's answer to this question was superb: Madame Bovary, c'est moi. Acclaimed as a masterpiece upon its publication in 1857, the work catapulted Flaubert to the ranks of the world's greatest novelists. This volume, with its fine translation by Lowell Bair, a perceptive introduction by Leo Bersani, and a complete supplement of essays and critical comments, is the indispensable Madame Bovary.

un bref instant de splendeur: The Violence of Modernity Debarati Sanyal, 2020-03-03 The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary

modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary wound culture. In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of art for art's sake and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

un bref instant de splendeur: All the Living C. E. Morgan, 2009-03-31 One summer, a young woman travels with her lover to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As Orren works to save his family farm from drought, Aloma struggles with the loneliness of farm life and must find her way in a combative, erotically-charged relationship with a grieving, taciturn man. A budding friendship with a handsome and dynamic young preacher further complicates her growing sense of dissatisfaction. As she considers whether to stay with Orren or to leave, she grapples with the finality of loss and death, and the eternal question of whether it is better to fight for freedom or submit to love. *All the Living* has the timeless quality of a parable, but is also a perfect evocation of a time and place, a portrait of both age-old conflicts and modern life. It is an ode to the starve-acre Southern farm, the mountain landscape, and difficult love. In her lyrical and moving debut novel, C.E. Morgan recalls both the serenity of Marilynne Robinson and the shifting emotional currents and unashamed eroticism of James Salter. It is an unforgettable book from a major new voice.

un bref instant de splendeur: Gardens of the Moon Steven Erikson, 2004-06-01 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order—an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

un bref instant de splendeur: The Last Romantics Tara Conklin, 2019-02-05 From the New York Times–bestselling author of *The House Girl* comes a novel about our most precious and dangerous attachment: family In the spring of 1981, the young Skinner siblings—fierce Renee, dreamy Caroline, golden boy Joe and watchful Fiona—lose their father to a heart attack and their

mother to a paralyzing depression, events that thrust them into a period they will later call “the Pause.” Caught between the predictable life they once led and an uncertain future that stretches before them, the siblings navigate the dangers and resentments of the Pause to emerge fiercely loyal and deeply connected. Two decades later, the Skinners find themselves again confronted with a family crisis that tests the strength of these bonds and forces them to question the life choices they’ve made and what, exactly, they will do for love. Narrated nearly a century later by the youngest sibling, the renowned poet Fiona Skinner, *The Last Romantics* spans a lifetime. It’s a story of sex and affection, sacrifice and selfishness, deeply held principles and dashed expectations, a lost engagement ring, a squandered baseball scholarship, unsupervised summers at the neighbourhood pond and an iconic book of love poems. But most of all it is the story of Renee, Caroline, Joe and Fiona: the ways they support each other, the ways they betray each other and the ways they knit back together bonds they have fractured. In the vein of *Commonwealth*, *Little Fires Everywhere* and *The Nest*, this is a panoramic, tenderly insightful novel about one devoted, imperfect family. *The Last Romantics* is an unforgettable exploration of the responsibilities we bear both gracefully and unwillingly, and the all-important, ever-complex definition of love.

The four young writers who shelter behind the pseudonym Luther Blissett have created a world of intrigue, violence and intense political and religious passion. Far from the traditional example of historical fiction, *Q* is the stuff of which cults are made.

un bref instant de splendeur: Bestiary K-Ming Chang, 2020-09-29 NEW YORK TIMES BOOK REVIEW EDITORS’ CHOICE • Three generations of Taiwanese American women are haunted by the myths of their homeland in this spellbinding, visceral debut about one family’s queer desires, violent impulses, and buried secrets. “Gorgeous and gorgeously grotesque . . . Every line of this sensuous, magical-realist marvel is utterly alive.”—O: The Oprah Magazine FINALIST FOR THE LAMBDA LITERARY AWARD • LONGLISTED FOR THE VCU CABELL FIRST NOVELIST AWARD • LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • NPR • The New York Public Library • Kirkus Reviews One evening, Mother tells Daughter a story about a tiger spirit who lived in a woman’s body. She was called Hu Gu Po, and she hungered to eat children, especially their toes. Soon afterward, Daughter awakes with a tiger tail. And more mysterious events follow: Holes in the backyard spit up letters penned by her grandmother; a visiting aunt arrives with snakes in her belly; a brother tests the possibility of flight. All the while, Daughter is falling for Ben, a neighborhood girl with strange powers of her own. As the two young lovers translate the grandmother’s letters, Daughter begins to understand that each woman in her family embodies a myth—and that she will have to bring her family’s secrets to light in order to change their destiny. With a poetic voice of crackling electricity, K-Ming Chang is an explosive young writer who combines the wit and fabulism of Helen Oyeyemi with the subversive storytelling of Maxine Hong Kingston. Tracing one family’s history from Taiwan to America, from Arkansas to California, *Bestiary* is a novel of migration, queer lineages, and girlhood. Praise for *Bestiary* “[A] vivid, fabulist debut . . . the prose is full of imagery. Chang’s wild story of a family’s tenuous grasp on belonging in the U.S. stands out with a deep commitment to exploring discomfort with the body and its transformations.”—Publishers Weekly

un bref instant de splendeur: The Annotated Turing Charles Petzold, 2008-06-16 Programming Legend Charles Petzold unlocks the secrets of the extraordinary and prescient 1936 paper by Alan M. Turing Mathematician Alan Turing invented an imaginary computer known as the Turing Machine; in an age before computers, he explored the concept of what it meant to be computable, creating the field of computability theory in the process, a foundation of present-day computer programming. The book expands Turing’s original 36-page paper with additional

background chapters and extensive annotations; the author elaborates on and clarifies many of Turing's statements, making the original difficult-to-read document accessible to present day programmers, computer science majors, math geeks, and others. Interwoven into the narrative are the highlights of Turing's own life: his years at Cambridge and Princeton, his secret work in cryptanalysis during World War II, his involvement in seminal computer projects, his speculations about artificial intelligence, his arrest and prosecution for the crime of gross indecency, and his early death by apparent suicide at the age of 41.

un bref instant de splendeur: Letters to Yesenin Jim Harrison, 2007 Sergei Yesenin was a Russian poet who, in 1925, hanged himself after writing his farewell poem in blood. Jim Harrison's correspondence with Yesenin is an American masterwork. In the early 1970s, Harrison was living in poverty on a hard-scrabble farm, suffering from depression and suicidal urges. He began to write daily prose-poem letters to Yesenin, confiding to his unlikely friend about sex, drunkenness, family, politics - about living for another day. Although the rope remained ever present, Harrison listened to his poems: My year-old daughter's red robe hangs from the doorknob shouting Stop.

It is a contemporary masterpiece.—San Francisco Chronicle Hailed by *The New Yorker* for its “remarkable achievements,” *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven---and haunted---by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

un bref instant de splendeur: Love Me Tender Constance Debre, 2022-09-27 A novel of lesbian identity and motherhood, and the societal pressures that place them in opposition. The daughter of an illustrious French family whose members include a former Prime Minister, a model, and a journalist, Constance Debré abandoned her marriage and legal career in 2015 to write full-time and begin a relationship with a woman. Her transformation from affluent career woman to broke single lesbian was chronicled in her 2018 novel *Play boy*, praised by Virginie Despentes for its writing that is at once “flippant and consumed by anxiety.” In *Love Me Tender*, Debré goes on to further describe the consequences of that life-changing decision. Her husband, Laurent, seeks to

permanently separate her from their eight-year old child. Vilified in divorce court by her ex, she loses custody of her son and is allowed to see him only once every two weeks for a supervised hour. Deprived of her child, Debré gives up her two-bedroom apartment and bounces between borrowed apartments, hotel rooms, and a studio the size of a cell. She involves herself in brief affairs with numerous women who vary in age, body type, language, and lifestyle. But the closer she gets to them, the more distant she feels. Apart from cigarettes and sex, her life is completely ascetic: a regime of intense reading and writing, interrupted only by sleep and athletic swimming. She shuns any place where she might observe children, avoiding playgrounds and parks “as if they were cluster bombs ready to explode, riddling her body with pieces of shrapnel.” Writing graphically about sex, rupture, longing, and despair in the first person, Debré’s work is often compared with the punk-era writings of Guillaume Dustan and Herve Guibert, whose work she has championed. As she says of Guibert: “I love him because he says I and he’s a pornographer. That seems to be essential when you write. Otherwise you don’t say anything.” But in *Love Me Tender*, Debré speaks courageously of love in its many forms, reframing what it means to be a mother beyond conventional expectations.

In lucid prose, Lim lays bare the complexities of migration and displacement, while offering a clear-eyed meditation on the elusive nature of human devotion.” —Esi Edugyan, Man Booker Prize Finalist and author of *Washington Black* “Lim paints a strange and unfamiliar world with her novel, full of fascinating social commentary on class differences, racism, and sexism.” —The Los Angeles Times In September 1981, Polly and Frank arrive at the time travel terminal at Houston Intercontinental Airport. One will travel, and one will stay. America is in the grip of a deadly flu pandemic. Frank has caught the virus and Polly will do whatever it takes to save him, even if it means risking everything. So she agrees to a radical plan—time travel has been invented in the future to thwart the virus. If she signs up for a one-way-trip into the future to work as a bonded laborer, the company will pay for the life-saving treatment Frank needs. Polly promises to meet Frank again in Galveston, Texas, where she will arrive in twelve years. But when Polly is re-routed an extra five years into the future, Frank is nowhere to be found. Alone in a changed and divided America, with no status and no money, Polly must navigate a new life and find a way to locate Frank, to discover if he is alive, and if their love has endured. “Lim’s enthralling novel succeeds on every level: as a love story, an imaginative thriller, and a dystopian narrative” (Publishers Weekly, starred review).
